

The first semester of FSJ is **Strategic Entrepreneurship**, which will focus on how to start, manage, and grow a successful business from the ground up. You will participate in hands-on projects to put entrepreneurial ideas into practice and develop computer skills in Microsoft Word, Excel, PowerPoint, and Publisher. Most of all, you will have fun while doing all of this!

*SUGGESTIONS: Stay organized, be productive, and keep deadlines in mind. Refer to these weekly sheets for your assignments and due dates; use the quarterly syllabus to plan further ahead. Tests and major projects should never be a surprise! Use our class website (www.myfinanceclass.com) as a resource at school and as a way to stay connected from home.*

**Monday, October 29**

Teacher Inservice
