

The second semester of FSS is **Corporate Finance**, which will explore business finance topics to help you start, manage, and finance a successful and growing enterprise. You will participate in hands-on projects to put financial concepts into practice and enhance your business technology skills. Most of all, you'll have fun while doing all of this...and leave the program prepared for college and beyond!

*SUGGESTIONS: Stay organized, be productive, and keep deadlines in mind. Refer to these weekly sheets for your assignments and due dates; use the quarterly syllabus to plan further ahead.
