

The second semester of FSJ is **Financial Accounting**, which will focus on how a business records transactions, maintains financial records, and prepares financial statements. You will participate in hands-on projects to put entrepreneurial ideas into practice and develop computer skills in Microsoft Word, Excel, PowerPoint, and Publisher. Most of all, you will have fun while doing all of this!

SUGGESTIONS: Stay organized, be productive, and keep deadlines in mind. Refer to these weekly sheets for your assignments and due dates; use the quarterly syllabus to plan further ahead. Tests and major projects should never be a surprise! Use our class website (www.myfinanceclass.com) as a resource at school and as a way to stay connected from home.

Monday, March 18
