

What's the Tort?

Your group will be assigned a couple torts for this activity ... work together to learn about it. Create an overview of the tort on a post-it pad. Your poster should summarize the tort assigned in a creative, colorful, and informative way. It should also include an example of the tort.

Once you have finished the sheet, you will explain your tort to the class and we will place your posters around the classroom.

Common Intentional Torts

1. *Assault*
2. *Battery*
3. *False Imprisonment*
4. *Defamation*
5. *Invasion of Privacy*
6. *Trespass to Land*
7. *Conversion*
8. *Fraud*

Please put your assigned tort into your own words so that everyone will easily understand what it means.

Use an example – just make sure it's your own example (not one from the book).
