

FSJ MarketWatch Challenge

You have \$100,000. How will you choose to invest it?

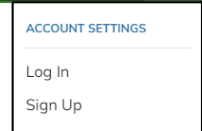

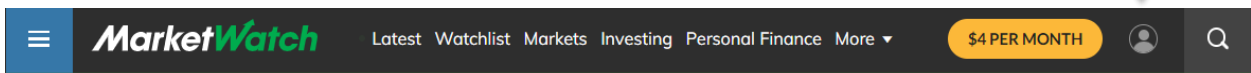

We just kicked off the FSJ MarketWatch Challenge. Every student in the class will participate in this game by investing \$100,000 of imaginary money in a variety of REAL investments. The goal of the FSJ MarketWatch Challenge will be to earn as much money as you can on your portfolio by the **market close on May 17, 2024**. You will be competing against each other, against the market, and against me! The winner will be announced in class on May 20, 2024. Prizes will be awarded for:

Best Overall Performance \$50 cash (unless I win!)

You must log in and start investing by April 24, 2024 to be eligible for prizes ...
