HONORS FINANCIAL SERVICES

Industry Overview

Whether you're thinking about majoring in business in college, hoping to become an entrepreneur, or just looking for an exciting and challenging way to explore the world of business and finance, Honors Financial Services will introduce you to a multitude of diverse occupations crucial for any company.

Butler Tech Financial Services Program Overview

Financial Services Honors/College Credit Plus (CCP) offers a truly unique atmosphere learning interesting material in a fast-paced, interactive environment. Teamwork, effective communication techniques, and time management skills are learned through extensive involvement in classroom projects and activities.

Hands-On Experience

Learn Financial Services by actually doing it. Butler Tech has a unique partnership with local businesses, offering students hands-on opportunities like:

- Job shadowing
- Internship
- Work-study experience

College Credit Plus

Financial Services can be taken as either an honors course or a CCP course. Students are initially added into the honors section of the program and then they can apply for CCP in the fall of their junior and senior years. College credits are offered through Cincinnati State for all four courses that make up this program:

- Strategic Entrepreneurship / College Course: MGT 120 Entrepreneurship.
- Financial Accounting / College Course: ACC 101 Financial Accounting.
- Fundamentals of Financial Services / College Course: FIN 100 Personal Finance.
- Corporate Finance /College Course: FIN 150 Business Finance.

Coursework

- Learning how to start, finance, and grow your own business
- Gaining the skills necessary to manage your financial future
- Improving your communication skills, building your leadership abilities, and developing strategies for working successfully in teams
- Experiencing the latest technology applications used in business today
- Preparing for a successful transition to many exciting college majors and careers

Student Organization

Students enrolled in Financial Services automatically become members of Business Professionals of America. BPA is a national organization for students interested in pursuing futures in business. Nationwide, BPA has more than 45,000 members in over 1,800 chapters across 25 states. Being part of BPA will be one of the most rewarding aspects of your business class.
